GALLATIN

1939

The

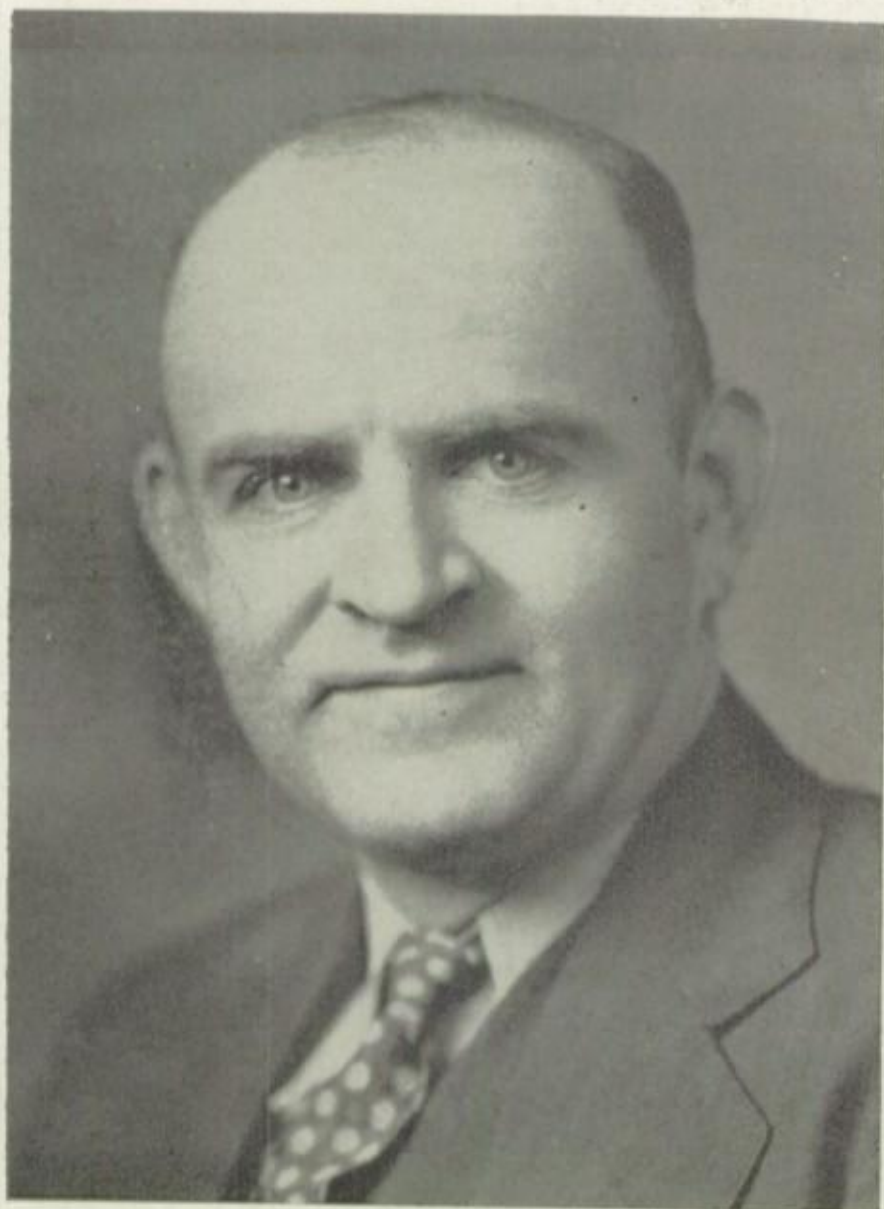

Gallatin

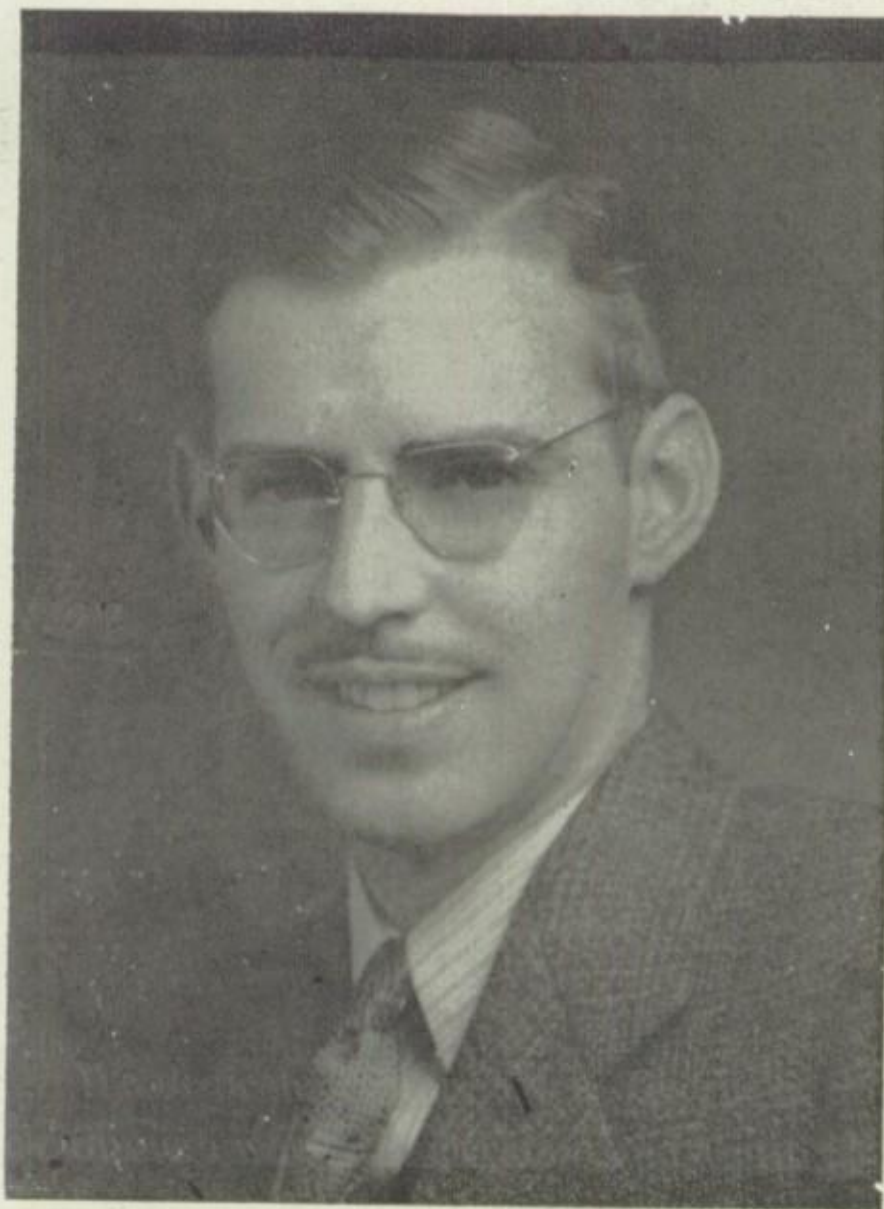

Dedication

We dedicate this annual to George S. Peck through whose cooperation and assistance the printing of our yearbook has been made possible. He is kind, generous, sincere, thoughtful, and understanding of all other people. These virtuous qualities have won him many friends in our school.

We dedicate this annual to Howard H. Dean who made possible the editing and compiling of material for the yearbook. His patience, understanding and help are deeply appreciated by all those who are under his supervision or in his classes.

Foreword

This yearbook is an expression of the school spirit that has made possible the first Gallatin annual in eleven years.

It is presented to you as the only annual in the state which has been devised, engraved, and printed, wholly within the school.

Administration

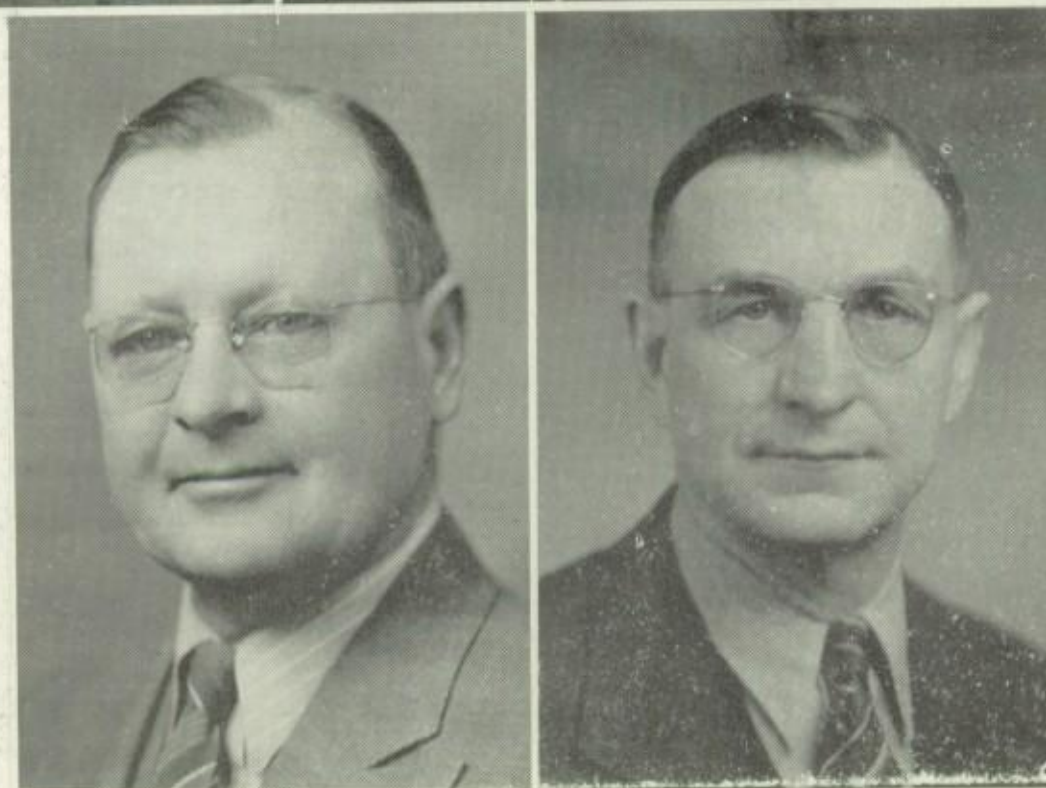

Principal's Message

The planning and production of the annual represents a high mark in the year's achievements. Among the other accomplishments should be placed this cooperative effort. We all appreciate The Gallatin more when we know that its completion has called forth untiring effort and resolution from the advisers and staff. We are proud of their work as it helps us preserve our pride in this brief story of another year. May we all take courage from the spirit that bids us attempt new and difficult things. I wish that the past year may bring to us all the will to go forward in succeeding years with hope and high purpose.

The Gallatin Chapter of the National Honor society was started seven years ago. There were 22 charter members in this society. Since the organization of this club there have been 160 Gallatin students initiated into it. Sidney Bachelder was the first sponsor. David DeLap is the present sponsor.

Each year five per cent of the junior class and ten per cent of the senior class are chosen by the faculty and initiated into Honor society in the early spring. The members who are admitted to this society are selected on four qualities; character, leadership, service, and scholarship.

Latin Club

First or second year Latin students are eligible for membership in the Latin club. Meetings are held every two weeks and presided over by a president and secretary. At every meeting some interesting custom, entertainment, phase of daily life, or festival of the ancient Romans is discussed, explained, and exemplified.

Two very special meetings are held each year. One is at Christmas time to celebrate the old Roman holiday, Saturnalia. The other is on or around April 21, to commemorate the founding of Rome in 753 B.C. by wolf-mothered Romulus and his ill-fated brother, Remus. At the Saturnalia, Christmas carols are sung in Latin, and gifts exchanged.

The Latin club enables students to meet together for a social as well as educational purpose. It helps them to understand those remarkable Romans who have influenced modern life so much by their advanced knowledge and useful language, and whose works of art and architectural ruins, beautiful even in crumbles, we still gaze upon and wonder.

The French club was organized two years ago under the direction of Miss Alice Oliver, the French teacher. French I and French II students make up its membership. During the year meetings are held every two weeks. A variety of programs included a French story by Mrs. Durand, French songs by Mrs. Cowan, and French games and songs with the group as a whole participating. To climax the year a program was given with the Latin club and a party was enjoyed in the gymnasium afterwards.

One of the big events of the year was a party in February celebrating Mardi Gras or Shrove Tuesday. It was a gala affair during which Margaret Linfield was crowned Queen of Mardi Gras with Norman Anderson as King. The attendance is good and the French students derive benefit as well as pleasure from the meetings.

The object of the junior program of the National Rifle Association is to develop those qualities of sportsmanship, fair play, manliness, self-control and cooperation which are so essential to success in life.

Each girl is supposed to shoot once a week; how much depending upon her skill. Frequently there are matches between the boys and girls. Also they participate in national contests and matches.

The Absoraka club has helped in making and equipping the new rifle range. Their first rating in the national match was in the C class.

Pep Club

The Pep Club is a very active organization in Gallatin High School. It was founded in 1933 and now has a membership of forty-five girls chosen for their pep, school spirit, and ability to yell.

The purpose of the club is to lead school yells, boost the teams, and bolster up school spirit and pride.

Among its activities are giving dances, pep assemblies, rallies, and printing programs for football and basketball games. All of these have proved to be very successful.

The "G" club is the oldest traditional club in the high school. In former years the chief aim was to raise money to finance athletic events. Its purpose now is to promote interest in athletic events, to create a feeling of comradeship and loyalty among the athletes, to help in any and all ways to instill school spirit and sportsmanship in all contestants and the student body.

Annually it puts on a benefit dance and sponsors the "Beat Park" tag sale in order to raise money to defray medical expenses for injured athletes.

Although vocational agriculture has been offered at Gallatin for a number of years prior, the organization of an F.F.A. chapter was made in October 1930. Since that time the chapter has had an active part in many activities.

On April 8 of this year the chapter went to Townsend where they met with several other chapters to organize the southern district F.F.A.'s. Harold Wilson was elected vice president of the district and Phil Sandquist, secretary. In the contests held there Earl Kraft placed first in the shop contest, the grain judging team placed second, and the horseshoe team placed first.

In the district meet, held here April 15, the three livestock judging teams entered from Gallatin placed first, second, and fourth; the poultry judging and egg grading team placed second; and the rifle team placed first.

In the state contests held during high school week at Montana State College, Earl Kraft placed first in tool usage and identification, Harry Figgins second in project work, and Bob Cloninger third in reporting.

Besides the various contests and projects the chapter has sponsored several social functions. Among them are the Annual Ag Bowl, the Father and Son Banquet, the State F.F.A. Banquet, a radio broadcast, and the Rural School Day.

The Home Economics club is composed of girls who have taken home economics in Gallatin. The club aims to do something for home, school, and community; to promote the ideals of loyalty, friendship and courtesy among the members of the club and the student body. In carrying out these aims the club this year has given a father-son banquet for the Future Farmers, given a banquet for their mothers, sent Christmas baskets to the poor, sold pies in order to buy equipment for the department, organized a very novel Kitchen Cabinet Band for Stunt Nite, and gave some very successful parties for the members.

This club was organized in 1929 under Miss Reinbecke and Miss Waite and in 1934 became affiliated with the national organization.

Debate

Ever since 1912 when Gallatin held the state championship title for two consecutive years, interest in debating has gradually increased in school. During this year, under the direction of Ben Lundquist, coach, Gallatin with some twenty debaters, competed in about thirty debates with teams from more than ten cities.

Gallatin established a chapter on the National Forensic league, the honor society for high school debaters, in 1931 under William Lessley, coach. It is the second oldest chapter in the state. This year's membership included eight people: Jane Doering, Harriette Franklin, Gyda Sheppard, Gladys Gaines, Nadine Goodrich, Jack Dexter, and James Strand.

Gallatin debaters this year sponsored the Southern District debate tournament of the Montana State High School Debate league. They entertained eight teams and their coaches from Butte, Helena, Columbus, Laurel, Three Forks, Dillon, and Gallatin.

In the tournament Gallatin took the district title by defeating Three Forks in the finals, thereby winning the right to debate in the state debate tournament in Missoula at the time of the spring track meet.

The Math club was started in the fall of 1930 with Mr. Buckland as sponsor. It was then known as the Mathematics club and was a departmental activity, in which any student interested might belong.

Several years ago it was changed to the Delta X club. Membership in the club is now limited to students who are interested, and who have had six quarters of math, maintaining a B average, and who are taking math. Candidates are accepted by vote of the club members. Ten new members were admitted this year.

The Delta X club aims to present and discuss mathematical subjects of interest to the members. The annual social event is a picnic in the spring.

Camera Club

The club was formed March 28, 1939. Since that first meeting the members of the club have learned to develop films, print pictures, enlarge pictures and to take indoor pictures. Different types of films and papers were discussed also. The club sponsored a Candid Camera contest for the students of Gallatin County High School. It meets in the science rooms of Gallatin County High School every Tuesday.

The purpose of this club is to give those people who are sincerely interested an opportunity to extend their knowledge by instruction and comparison; and to create a general interest in photography in Gallatin County High School.

Naturally the main purpose of the journalism class is to put out the Gallatin High News every two weeks during the school year, but they also study the various journalism practices and methods of producing a professional paper. This year the News was selected to be the editor of the special track meet edition of the University of Montana paper, the Kaimin, which was put out during the thirty-sixth Montana Interscholastic track and field meet at Missoula, May 11, 12, and 13. Frank Mougey was also the president of the Montana Interscholastic Editorial association.

The sweepstakes trophy of the Northern Interscholastic Press association was awarded to the News, winning over papers from Montana, North Dakota, South Dakota, and Minnesota. The Columbia Scholastic Press association awarded the News the medalist rating and an All-Cumbian in advertising. First class honor rating was given the News by the National Scholastic Press association.

The school annual became a possibility after the purchase of a photo-engraving plant during the winter months. The senior class backed the sale, and with the help of the juniors, sophomores, and freshmen, were able to sell the 400 copies necessary before the actual production of the annual could begin.

The business manager was Harold Eagle, who was later succeeded by Peggy Lou Howard, after his election, by the staff to be annual chairman. Howard Dean was the editorial advisor, and George Peck directed the printing and binding of the annual. Selection for the staff was made on the basis of merit as shown by achievements in English, journalism, or art.

The individual pictures of the underclassmen were taken by the photography staff, consisting of Forrest Owens, Paul Meador, and Harold Eagle. All the work of the annual was done in the school by the students, with Mr. Peck's printing classes doing the printing.

The Scherzo Junior Music club was started in 1936 and federated shortly afterward. Any high school student studying music under Mrs. Dickson is eligible for membership. There are two meetings a month in the practice room in the high school. Musical history and appreciation are the main topics of study of the club.

Its aim is the achievement of a better appreciation of music. Delegates to the state convention held in Kalispell late last spring included Anna Lee Cosens, Marlyn Stone, and Bob B. Johnson. The activities of this club have consisted of a Mother's Day concert given at the Montana state college gymnasium and an annual spring formal.

Parrots

"The Parrots" is an organization to develop interest and talent in dramatics. It was organized in 1926 by Miss Dina Rees Evans, English and dramatics instructor.

Through the Parrots, the students have received training and experience in play production. To those outside the organization the profits from the Parrot productions have provided a donation to the recording machine in the music room, the projection machine in the auditorium, a series of assemblies presented to the students for the school year '39 and '40 and many other similar advantages.

To gain admission into the organization a student must show definite ability in some phase of dramatics. The candidate must have participated in some part of the work in a major three-act Parrot play or had parts in three one act plays accepted by the Parrots. The candidate's performance must be approved by the Parrots.

Parrot plays for the past five years have been directed by the present adviser, Mr. Roberts.

During the present school year the group has given three full-length assemblies, played for the home athletic games, nine assemblies, and have accompanied the basketball team on their trips.

The all-school, "Stunt Nite", was sponsored by the German Band, of which the proceeds were used to send them to the Southern District Basketball Tournament, March 9, 10, 11, and 12.

They have played at many conventions and meetings given at Bozeman this year.

The group also has a dance orchestra which has played for many of the school mixers.

The Gallatin high school concert band is a picked group of 37 who represent Gallatin's best in band work. They have the most nearly complete instrumentation of any band in this section of Montana.

During the year the work of the band has been playing for athletic games, pep assemblies, and rallies. They also worked up formations for football games and presented an interesting display at the Park-Gallatin game in Livingston. The band tied with Billings for top honors at the Midland Empire Music Festival.

Together with the Bobcat band, the Gallatin concert band presented a combined band concert on March 24. Besides playing numbers jointly, the bands also offered separate pieces. The Gallatin band also gave a concert during the open house at the Squaw Creek C.C.C. camp on Easter Sunday, April 9.

Orchestra

The school orchestra is organized each year at the beginning of the school term. The students participating in this activity sign up at the close of each fiscal year. The school furnishes some instruments to those students who do not have their own. The orchestra, during the year, has played for the teachers' convention, Parrot play, Senior play, Senior Baccalaureate, graduation exercises, and for the music festival in April.

It placed second in the Midland Empire festival at Billings. The orchestra meets twice a week, on Tuesday and Thursday. At this time they are directed by Conrad Sandvig on music which is carefully selected to interest the group.

Summary

In the light of games won and games lost the football season can only be called one thing, a failure. However, from a different viewpoint it shows itself in an entirely different aspect. When you consider the number of veterans developed during the season for future use, one must of necessity realize that the season was not as much of a disaster as it seems upon first sight.

The Hawks throughout the season showed up poorly, probably due to the inexperience and size of the athletes which Coach Jason Preston was able to get to come out for the sport. In their first game, a game in which they played Whitehall, they eked out a narrow 13-12 victory by intercepting a pass. Whitehall was the only weak team that Gallatin played in their entire schedule. They lost by large margins to Billings, Anaconda and twice to Livingston; the teams who placed one, two, three in the southern district football. In addition to this they lost to Helena, a team which captured second place in the northern district.

Improvement is evidenced toward the end of their season by the way they power-housed in two scores in the second game with Park. It, however, was not enough. They lost 13-41. The score in the game with Anaconda was 47-0; against Helena, 46-0; against Billings 62-0; and in the two games with Livingston they lost one by 25-0; the other by 41-0. They won their only game in the B class from Whitehall by a 13-12 count.

No class had a complete team in the tournament. Players were taken from teams not participating in order to complete the lineups.

The seniors above pictured stepped into a class football championship by victories over the sophomores and the juniors. The tournament proceeded through its entire length without mishap; the classes placed in this respective order: seniors first, juniors second, sophomores third, and freshmen fourth.

The seniors and sophomores seemed to have very evenly matched elevens. Two breaks in the early part of the contest gave the seniors their 9-0 triumph. In the senior's second game they outplayed a hard fighting junior eleven 18-0 to capture first in the tournament. Although the score in the championship game makes it seem like a very uneven contest, it was not until the final period in which the seniors scored two of their three touchdowns.

The juniors earned their way into the championship by a 7-0 victory over the frosh. In the consolation the frosh lost to the sophomores 14-19 in a six-man game.

This intramural football schedule is the first ever to be held here at Gallatin. Using it gave a little late season practice for all members of the football squad to gain experience in games despite the fact that they might not have been good enough to play varsity ball during the season.

Maurice Dusenberry, a senior, elected honorary captain for the season. He was the highest scorer on the team.

Norman Hansen, a junior playing his first year of varsity ball, developed quickly into a good dependable center.

Elmer Butler, another junior has two years of work at guard to his credit. He was the highest scoring guard of the season.

Marvin Sunderland, sophomore guard, who was outstanding in his ability to knock down shots at the basket.

Warren Hill, a tall junior forward, who may be depended upon to play fine ball another year.

Tommy Preston, a junior, got a late start but made good. He shot his best under fire.

Milton Freeland, a junior who could play equally well at forward, center, or guard.

James Hoffman, a freshman is perhaps the greatest prospect for a good basketball player since the days of Earl Johnson.

Not pictured: **Lloyd Shelhamer**, a hardworking sophomore guard, who has developed a great deal in the past season.

Class Basketball

Back row: Tom Hallin, Elmer Butler, Bill Eversz, Gordon Black, Carl Peterson, Kenneth Carter, Hollis Schnyder.

Front row: Bob Martin, Harold Kollock, Norman Hansen, Art McDonald; Ed Johnson, John Hay, Milton Freeland.

The juniors captured the school intramural basketball crown for the season of '38-'39 by a 25-17 victory over the seniors in the final game of the tourney. The seniors came in second in the meet, sophomores third, freshmen fourth, and F.F.A. last.

Eddie Johnson sparked the juniors to the championship by scoring 16 of his team's 25 points in the championship game. The seniors lost one game in the entire round robin schedule, and that to the juniors; the sophs lost to the juniors and the seniors; the freshmen surprised everyone by triumphing over the F.F.A.

The tournament seems very erratic throughout; the juniors were able to beat the seniors by eight points but barely edged out the sophomores 10-11, a team which the seniors had downed 28-11, and so on. The class basketball tournament is an annual affair used to help the coach pick his varsity for the season.

The "Hawklets" as they were called were Gallatin freshmen. Although winning only four of their 14 games the Hawklets made a remarkable showing. The teams they played against were varsity squads, the majority of which were heavier and more experienced.

The team traveled 1200 miles playing every school within a day's reach. The frosh gained invaluable experience from their adventure. This is proven by the fact that two of the "Hawklets" played on the regular team in the latter part of the season.

Ben Lundquist, a faculty member, sponsored and coached the freshmen until late in the season when he turned it over to Herman Menzel because of his duties as debate coach. Mr. Lundquist also furnished the transportation for the team.

Joe Eagle was captain of the "Hawklets" and played forward on the team. He was also high point man for the squad.

Herman Menzel took over Lundquist's place as coach. He is a former Gallatin star and played on the team that won the conference championship in 1936.

Track

Top Row—J. Preston Coach, Martin, Nevin, Cattrell, House, Butler. Bottom Row—Emery, Whitham, Nelson, Everetz, Eagle.

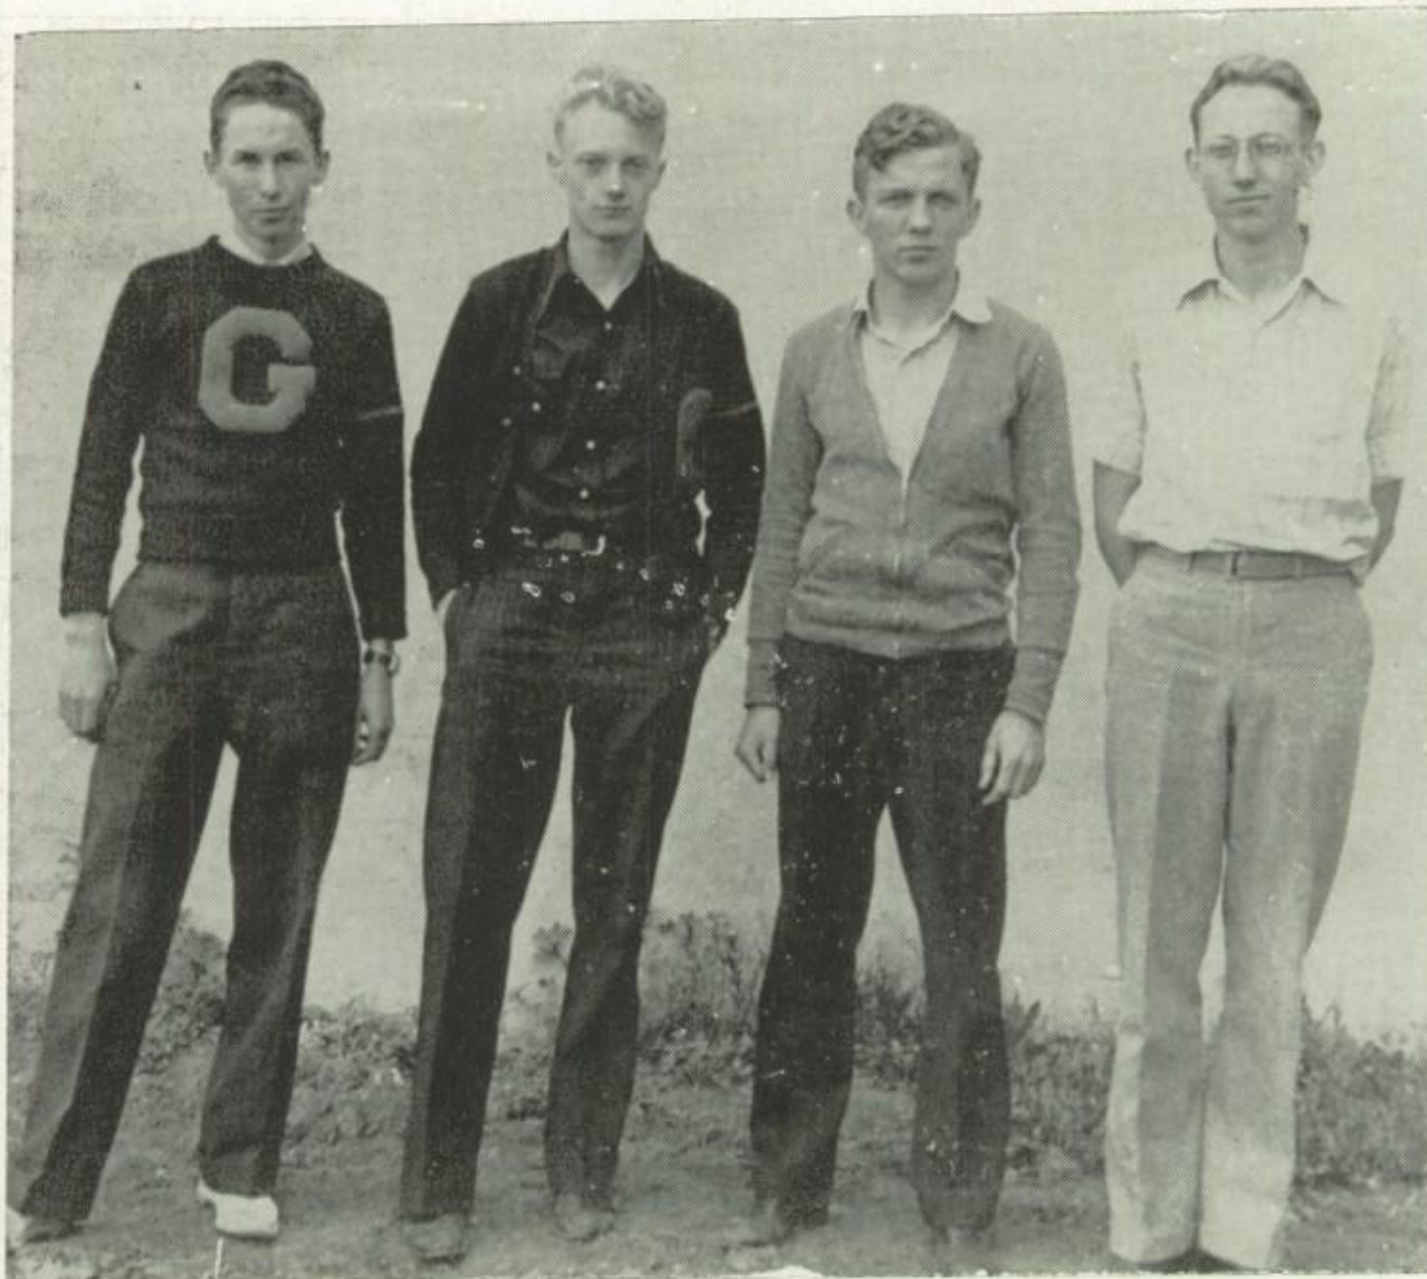

The Hawks started the season by dropping the first track meet of the season to Livingston on the latter's field.

Two weeks later the Hawks again journeyed to Livingston for the second track meet of the year, an invitational affair, with teams invited from almost every school large and small in this end of the state. The Hawks scored only seven points in this meet which was won by Livingston.

The third and final meet entered by the Hawks before the state meet in Missoula was at Helena. In this meet, which was won by Missoula, the Hawks garnered seven points, a half a point less than they made at Livingston. In the state meet the team acquired 4 points; three of them in the broad jump, in which Jim Emery took third and one in the mile run as the result of a fifth taken by Bill Everz.

Only three athletes fulfilled the tough letter requirements of the school; they are: Jimmy Emery, honorary captain; Bill Eversz, miler and half miler; and Milton Freeland, hurdler and pole vaulter. Elmer Butler obtained a letter for his work as manager.

Class Track Winners

Kirby Whitham, Jim Emery, Don Rundell, and Willis Nelson.

A three man senior track team worked their way into first place in the class track meet by a narrow $49\frac{1}{2}$ -46 victory over the juniors. The sophomores came in third with $18\frac{1}{2}$ and the freshmen came in fourth with 3. The juniors led in the meet until the last event was run off; if they had been able to capture a second instead of a third in this they would have won by a half point.

James Emery

A senior relay team consisting of Kirby Whitham, Jimmy Emery, Willis Nelson, and Don Rundell were the victors in the 880 yard relay. The juniors placed second in this event.

Track Captain

Jimmy Emery led the scoring for the meet with $30\frac{1}{2}$ points; Whitham provided the majority of the remainder of the seniors' score by picking up 16; the only other senior who scored a point was Bob Cloninger with three.
